Southwest Florida & Lee County

IMPORTANT INFORMATION

The SWFL & Lee County Fair awards premiums on up-to-date and completed project books.

Following the guidelines outlined in this presentation will help you get the most out of your project and teach you how to keep accurate records.

Your project book must be in a binder or green 4-H folder and be completed up till the fair.

Parents are encouraged to help youth with their project books. Please do not do it for them. (Judges will not take points off because a child has bad handwriting, but they will take points off if they think a parent has completed the book.)

Keep your book neat and organized and write in only one color ink (blue or black).
